Carmen – Shanta, Debra, and I are a little inundated with the preparation for the aldicarb briefing for the AA tomorrow. So, we may have to try to squeeze something in for tomorrow, rather than this afternoon. Hopefully, this helps.

Marion, I would like to suggest that we reschedule my general to this afternoon since Shanta is out after today and you are out after Tuesday. I would like to discuss a few things that have been occurring on Team 10 lately. Thanks, Carmen.
